Please remember to sign residents in and out when taking them out of the facility.

As the weather becomes warm it is enjoyable to spend time with our residents on our front porch or in the courtyard. If your visit ends with a resident wanting to remain on the front porch or in the courtyard we ask that you notify a staff member before leaving so that we know that the resident is outside.

Visiting with a resident outside of the side entrance is against our rules. This is a high traffic area with delivery trucks and many moving vehicles. Please do not use any space outside of our side entrance to visit with a resident.

Autumn Mitchuson

Autumn Mitchuson has been our Activity Director for three years. We must say good-bye to her as she is leaving Bluegrass for the next chapter in her career.

Autumn has shared her gifts of creativity and organization to provide meaningful and fun activities for our residents at Bluegrass. We will miss her but wish her well as she begins her work in a new place.
